CAUSE NO. 42339

You are hereby notified that on this date, the Indiana Utility Regulatory Commission has caused the following entry to be made:

On December 2, 2002, Petitioner, CAT Communications International, Inc. (the "Petitioner"), filed its Petition with the Commission seeking authority to provide facilities-based local exchange, interexchange and Caller ID telecommunications services within the state of Indiana and requesting an Order by the Commission declining to exercise its jurisdiction pursuant to Ind. Code § 8-1-2.6.

On December 2, 2002, Petitioner, pursuant to Ind. Code §§ 8-1-2-29 and 5-14-3-4, filed its *Request for Confidential Treatment of Information* (the "Motion") in the above captioned Cause. In its Motion, Petitioner indicated that certain financial documents (hereinafter "Confidential Material") consist of non-public information that is proprietary to the Company. The Petitioner indicated in its Motion that it has taken reasonable precautions against disclosure of the Confidential Material, and that public disclosure of the material could provide a competitive advantage to competitors of the Company. Petitioner's Motion is supported by the Verification of Ms. Patricia M. Sheets, Vice President of Regulatory Affairs of CAT Communications International, Inc.

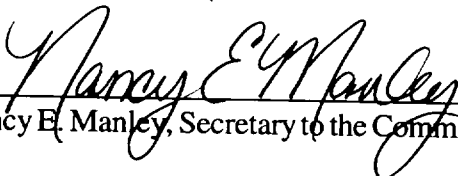

The Presiding Officer, having reviewed the information contained in the Petitioner's Motion now finds that there is a sufficient basis for a preliminary finding that confidential procedures are appropriate and should be followed concerning the Confidential Material to be submitted by the Company. Accordingly, the Petitioner should *hand deliver* to the Presiding Administrative Law Judge the Confidential Material, under seal and marked as confidential, and such information shall be treated as confidential on a preliminary basis, in accordance with Ind. Code § 5-14-3-4.

IT IS SO ORDERED.

Carol S. Comer, Administrative Law Judge
